Mem - o - ries of what we were then, my broth-er, my riv-er, my friend.

20 *Another Male* 21

Been want-in' to smell the hope in your breeze and

23

wade in your mem-ries right up to my knees, and may-be you'd reach and

26

touch this old soul, the most won-der-ful riv-er and friend that I know.
